### **Our Mission:**

**The mission of Breeding Pays Futurity is to add excitement, camaraderie, and meaningful payouts while having a direct impact on market improvement for the Arabian Halter breeding community.**

### **Join Us:**

Become a Founding member of the Breeding Pay Futurity and support the Arabian Halter Futurity with founding member stallion nomination benefits and a tax deductible donation.

### **Founding Member Benefits:**

As a founding member you will receive 2 Breeding Pays Futurity Stallion Nomination slots. These slots allow you to have two nominated owned/leased/managed stallions at any one time for a reduced one time nomination fee of \$5,000.00 and a stallion lifetime annual renewal fee of \$1,500.00.

A founding member nominated stallion, if sold will have the benefit of carrying the Founding Member renewal fee to the new owner. The new owner, for any horse nominated and sold by a founding member, the horse retains his nominated status and will receive the lifetime annual renewal fee of 1500.00

Managed/leased horses do not retain rights if sold or if the Founding Member chooses not to submit the renewal fee for the horse annually. However, the horse may be re-nominated via the Stallion Nomination form. These nominations do not enjoy the benefits provided the Founding Members-please see Stallion Nomination Form for more information..

Founding memberships are transferable and retain all original founding member rights. The sale of the transfer does not qualify for the Non-profit tax donation, and all rights held by selling owner are discontinued, to include current nominated stallions.

The founding member payment plan may be utilized, with payments of 20,000.00 at time of signing, 10,000.00 for the following two years due on June 1 of each year.

\$30,000.00 of your founding membership funds are eligible for a Non-profit tax donation.
